- INTRODUCING - Tumalo Creek's new Kayak Fishing expert: **Hobie Pro, STEVE**

Tumalo Creek just reeled in a big one! Steve and doggie buddy Pisces. Steve's been casting in Central Oregon since childhood and loves sharing his vast knowledge of river and lake fishing. Be sure to catch Steve at his first **Tumalo Creek** appearance during **Paddle Festival, May 4th**.

First day on the job and Steve's already bringing **Tumalo Creek** co-workers fresh fish. Caught on the Fall River just before arriving at the shop, this trophy Trout was the highlight of the day.

Are you wondering what techniques are best for kayak fishing? What accessories to get? How to load your boat? What the best spots to fish are? All this and more will be answered during Steve's meet and greet at **Paddle Festival, May 4th**.

AND, learn about his boats of choice: **Hobie's Revolution, Inflatables** and **Outback**.

Gearing Up 2019 Hobie Outbacks are in store now!

Did you know Tumalo Creek outfits kayak fisher persons for the rivers and lakes of Central Oregon and beyond? We demo, rent and sell the perfect boats for local waterways. Stop into the shop for beta, to pick up gear or see what we've been catching!
